

Our local radio station, K-LOVE 100.1 FM is instrumental in the BEST quality of radio on the FM band. It is the only radio that is safe for the entire family to listen to. It's encouraging, uplifting, and is necessary to get through the day. I say this with the upmost conviction. It is NOT your regular radio station. It CHANGES lives. It changed mine. I was totally lost without the encouraging music when the transmitters were down for a couple of weeks last year due to our fire storms. The service provided by K-LOVE is paramount in the public interest. K-LOVE supports wholesome values and guides the weak in spirit. K-LOVE has processed thousands of prayer requests. God is indeed working through this radio station as apparent by the numerous answered prayers. K-LOVE is instrumental in bringing people to God. I implore you to keep K-LOVE and its excellent programing and NOT allow the new LPFM stations to take priority over our current FM translator service.
